MESSAGE FROM OUR CHAIRMAN, DWPS

Dear Students and Parents,

Greetings from Delhi World Public School, a premier institution of learning and excellence. I am delighted to welcome you to our school community and share with you our vision and mission.

At Delhi World Public School, we believe that education is not just a process of imparting knowledge, but a journey of discovering oneself and the world. Education is the key to unlock the potential of every individual and enable them to achieve their goals and aspirations. Education is also the means to foster the values of respect, honesty, compassion, and excellence, that will guide them throughout their lives.

Our school is committed to providing a holistic and quality education for our students, that covers academic, co-curricular, and extra-curricular activities. Our school is equipped with state-of-the-art facilities and security features, such as CCTV cameras, biometric access, fire alarms, and emergency exits. We also have a dedicated security team and a trained personnel on campus to ensure the safety and well-being of our students and staff.

Our kindergarten section has a warm and safe play way area, where our little ones can explore, create, and have fun. Our play way area is designed to stimulate the physical, cognitive, social, and emotional development of our children, through various activities and games.

Our classrooms are spacious, bright, and well-ventilated, with smart boards, projectors, and computers. Our classrooms also ensure a hygienic and healthy learning environment. We also ensure that our students have an ideal student-teacher ratio. This allows our teachers to provide individualized attention and assistance to our students, and create a healthy and supportive learning environment.

Our school has large grounds, where our students can enjoy various sports and outdoor activities, such as football, cricket, basketball, badminton, and athletics. Our grounds also has a math park, where our students can learn and practice math concepts in a fun and interactive way.

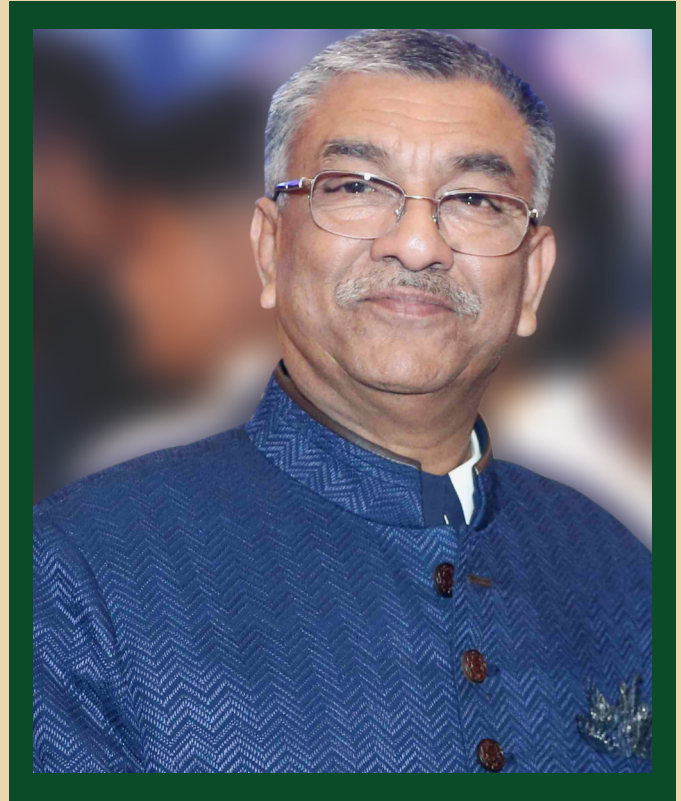

Our school has a meditation room, where our students and staff can relax and rejuvenate their mind and body. We conduct yoga, mindfulness, and meditation sessions, to promote the mental health and wellness of our school community.

Our school has an infirmary, where our students and staff can receive first aid and medical care, in case of any illness or injury. Our school has state-of-the-art labs, and innovation labs where our students can access the latest technology and equipment, and conduct experiments and research in various fields of science, such as physics, chemistry, biology, and robotics. Our labs are designed to stimulate the curiosity and creativity of our students, and enhance their scientific thinking and inquiry skills.

At Delhi World Public School, we have a team of expert and friendly staff and faculty, who are passionate and dedicated to providing the best education and care for your child. They are well-qualified and experienced, and undergo regular training and development programs, to keep themselves updated with the latest trends and practices in education.

At our School, we aim to nurture and empower our students, to become confident, responsible, and successful individuals, who can contribute positively to the society and the world. We also strive to instill in our students the values of respect, honesty, compassion, and excellence, that will guide them throughout their lives.

I invite you to join us in this journey of learning and excellence, and become a part of our school family. I assure you that your child will receive the best education and care at our school, and will have a bright and prosperous future with us.

Best wishes,
Kewal Krishan Garg

FROM THE PRINCIPAL'S DESK

Dear Students and Parents,

As Ralph Ellison said, "When I discover who I am, I'll be free."

One of the key goals of our school is to raise self-aware children who can be future leaders in their chosen fields and in society. We believe that self-awareness is the foundation of personal growth, emotional intelligence, and social skills. As Aristotle said, "Knowing yourself is the beginning of all wisdom."

To foster self-awareness, we encourage our students to reflect on their strengths, weaknesses, values, and goals. We also help them develop the skills of problem solving, decision making, and critical thinking, which are essential for navigating the complex and dynamic world we live in.

We are confident that by cultivating these qualities and skills, our students will be able to achieve their full potential and make positive contributions to the world.

We appreciate the support of parents in this endeavor and we look forward to collaborating with you in this very important journey of your child's life.

Thank you for entrusting us with the education of your children.

*Warm regards,
Dr. Manisha Sahni
Director Principal*

OUR MOTTO

STRIVING TOWARDS PERFECTION

VISION

DELHI WORLD PUBLIC SCHOOLS ARE COMMITTED TO PROVIDE STATE-OF-THE-ART EDUCATION INCORPORATING INDIAN VALUES AND WORLD CULTURE, AIMING TO CREATE GLOBAL CITIZENS AS TORCH BEARERS OF A DYNAMIC AND HARMONIOUS WORLD.

MISSION

Delhi World Public Schools aim to instil in each child a sense of inquisitiveness and exploration and an urge for experimentation, observation and synthesis. We endeavour to free the learning process from the confines of the four walls of classrooms and take it further to activity workshops, resource centres, laboratories and library, teaching less and learning more. Every child is encouraged to inculcate the values of citizenry; a commitment to good health, high values and sensitivity to the environment. We strive to guide and support each child in their journey from primary school to senior school and prepare them for the journey beyond school.

WHAT MAKES A DELHI WORLD PUBLIC SCHOOL DIFFERENT

The Pedagogy System of Delhi World Foundation, New Delhi makes a Delhi World Public School different from other schools.

1. We borrow from Nai Talim principles of Mahatma Gandhi whereby learning takes place by performing activities and where knowledge and activities are integrated.
2. The virtuous character of the child is built to last a life time.
3. We also strive to make the principle of universal peace and tolerance the basis of all Delhi World Public Schools.
4. We aim to develop a habit of humility, making our future world a place of harmony and goodwill towards all.
5. Emphasis is laid on learning from the environment, combining spiritual philosophies with different subjects:
6. Equity, compassion, cooperation and service before self is our earnest endeavour.
7. Our students are involved in peer tutoring to reach out to fellow students who may be less privileged than them.
8. The Green School concept sensitizes young children to bring about the change for sustainability that the world so needs today.
